

## Polyethylene Sleeve

#### Product Description

- Blue Polyethylene Disposable Sleeve
- 18" Length
- Elastic Ends
- Provides Protection from water and oils
- Provides Comfort Fit
- One Size Fits All
- Import

#### Applications

- For manufacturing, food processing, warehousing, janitorial, clean room, shipping, automotive, construction projects, painting, and more.
- **Packaging**
- Sold by Cases
- 2,000 pieces per Case.

#### Care

- Disposable

#### TECHNICAL INFORMATION

Polyethylene absorbs almost no water. The gas and water vapor permeability (only polar gases) is lower than for most plastics; oxygen, carbon dioxide and flavorings on the other hand can pass it easily.
